

You have heard of the “Food Network”! Well, UH is presenting you with the “Nosh” Network. This spring, we will be presenting the opportunity for you to learn, hands-on, about making some favorite Jewish and Jewish holiday foods.

**The “Nosh” Network – Chrain/Chrein/Maror/Horseradish**  
Elaine and Paul Friedman

Tuesday, March 27, 7:00 – 8:30 p.m.

Elaine and Paul Friedman, UH members, will be sharing their family tradition of making “that bitter herb” (known by many names) that we eat on Passover. While it is a process much longer than one evening, they will share with us the key steps and help us as we create the final product, and some tasting as well. Be prepared for some strong cooking odors, but just like the oil smell on Chanukah, it will be well worth it!

We ask for an rsvp for our cooking events so we know how much to prepare. You are welcome to attend at the last minute without an rsvp, but it would be most helpful to have one. Please contact Mindy at [mprice@unitedhebrew.org](mailto:mprice@unitedhebrew.org) or at 314-434-3404.
